# Milestones: The Story of WordPress

Part One

They found each other
To build a community
And called it WordPress
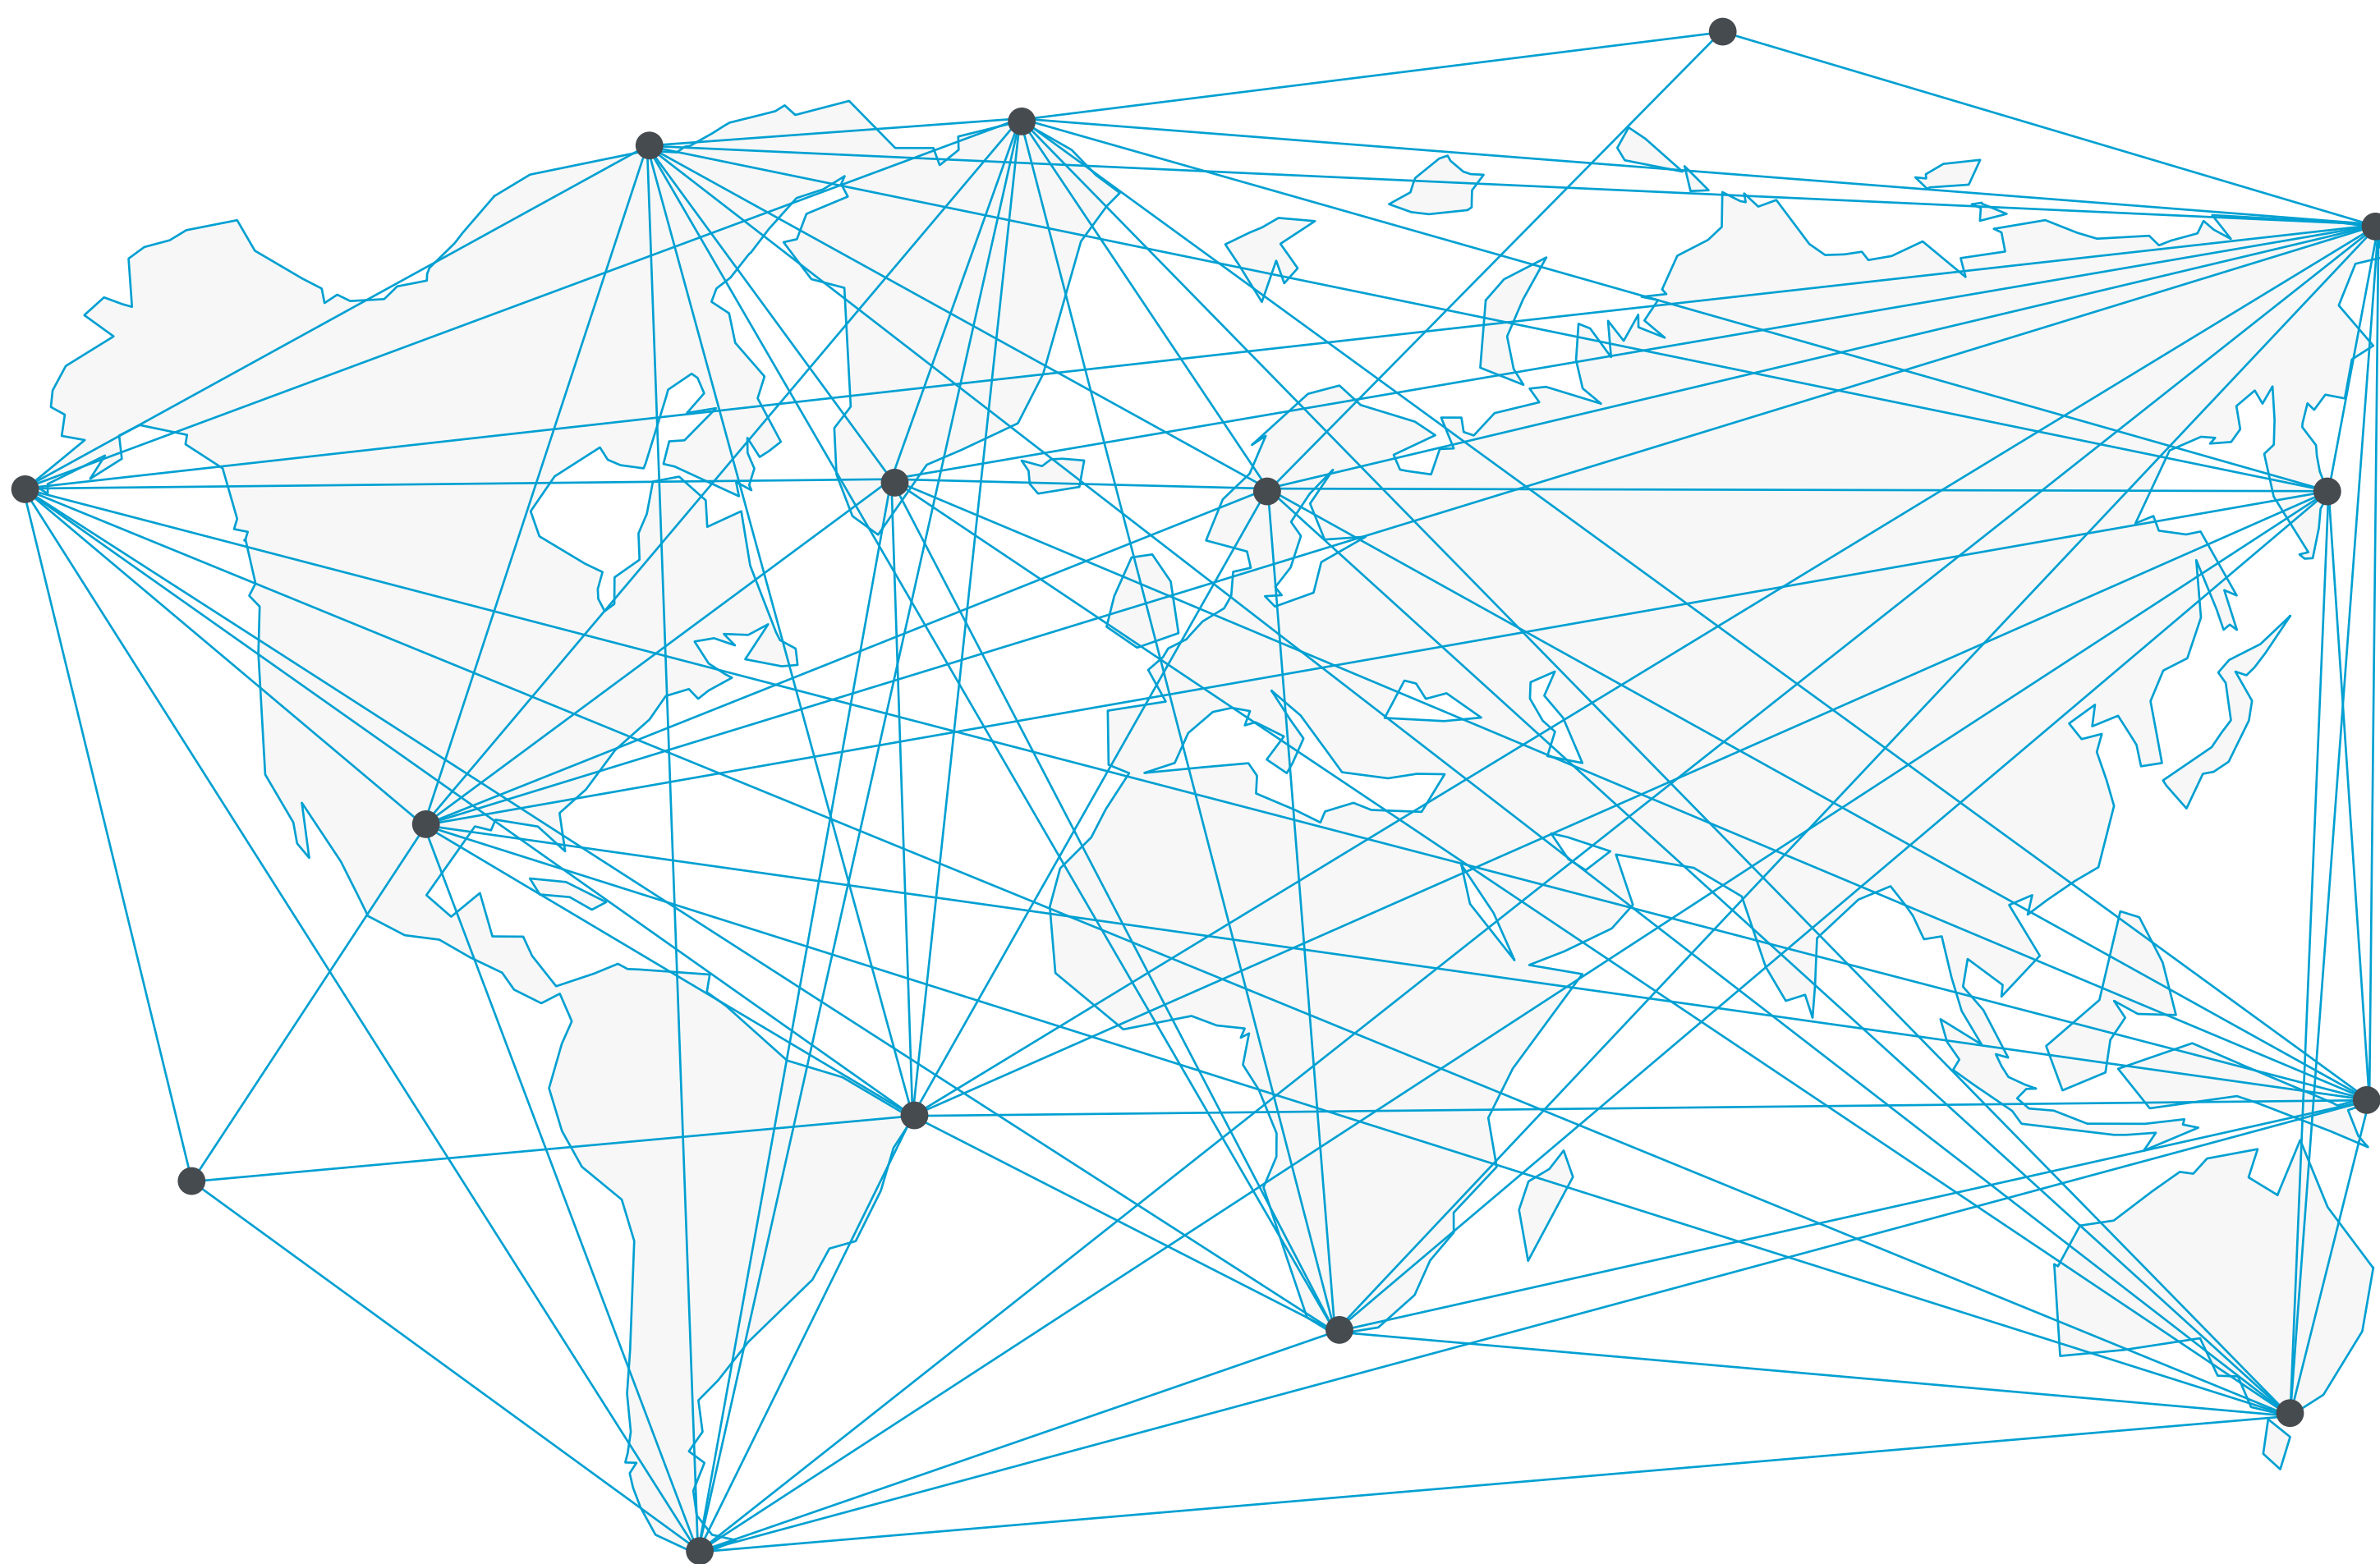

Part Two

Principles designed

On true usability

For every person
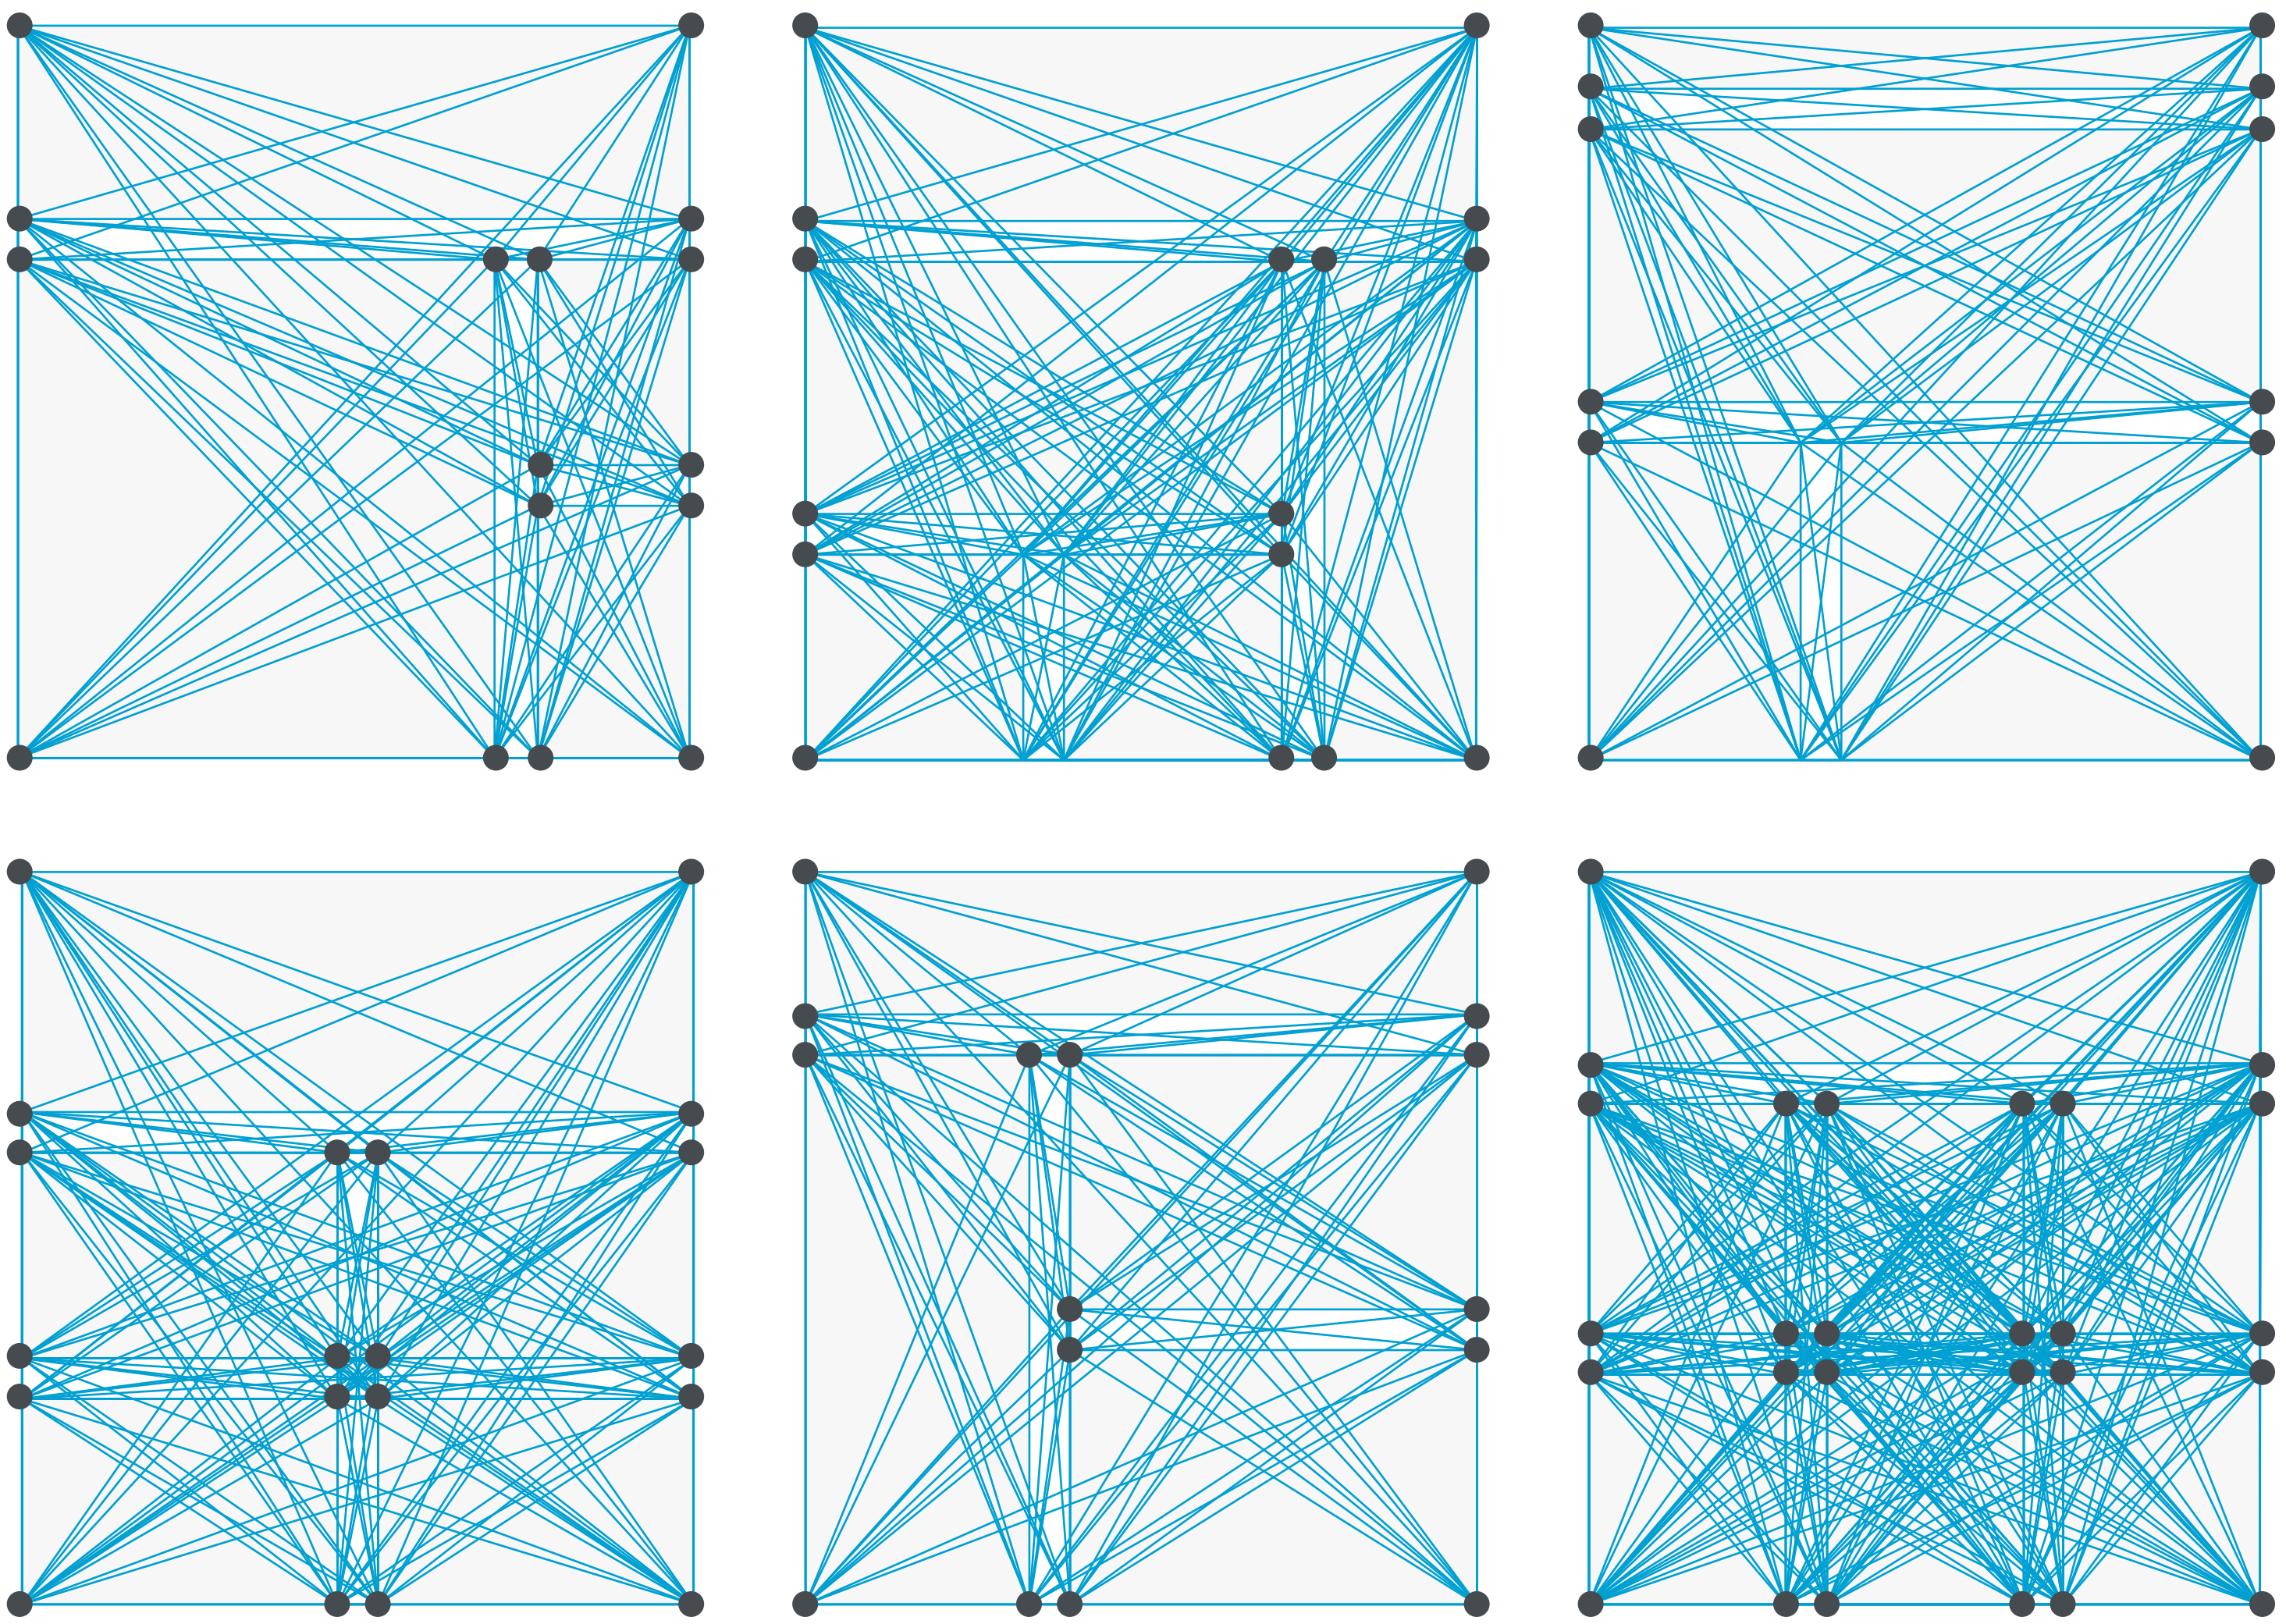

Part Three

Committers and themes!
Balance day job with passion
A company forms

Part Four

Tags and sponsored themes
Polarize opinions
(Happy cogs do too)

Part Five

Love the GPL

A community that grows

Free access for all

Part Six

Crazyhorse tests best
Full GPL only, please
Release leads, hurray
